

Ben Marwick, Carl Boettiger & Lincoln Mullen (2018)  
Packaging Data Analytical Work Reproducibly Using R (and  
Friends), *The American Statistician*, 72:1, 80-88, DOI:  
10.1080/00031305.2017.1375986

An example of a small  
research compendium.

An example of a more  
complete use of the R  
package structure for a  
research compendium
