

Ben Marwick, Carl Boettiger & Lincoln Mullen (2018)
Packaging Data Analytical Work Reproducibly Using R (and
Friends), *The American Statistician*, 72:1, 80-88, DOI:
10.1080/00031305.2017.1375986

An example of a small
research compendium.

An example of a more
complete use of the R
package structure for a
research compendium
